Syllabus - Course Framework

Session	Topic	Session learning objective In this session you will learn to	Blended Mode	
			Online	Onsite

red = present / classroom

green = distance (e.g. moodle/google drive)

blue = distance (e.g. adobe connect/skype group call)

Credits & Workload Calculation

40 LU, 4 cp = 150 h represents a workload of 150 hours (including presence and distance learning units, self study time, virtual meetings and team work)

Assessments & Grading Policy: The grading (xxx point) of the course is based on the following: ...

Activity & Attendance Policy

This course is a mix of online and presence activities. We will use Moodle (learning management system), Adobe Connect/Skype (virtual face-to-face meetings) and tools you choose for collaborative group work (e.g. Google Drive, Slack, Trello). This course is based on collaboration, conversation, and self-organization. All sessions are relevant for the course.
