Hochschulforum Digitalisierung (HFD) is a joint initiative by Stifterverband, CHE Centre for Higher Education and the German Rectors’ Conference (HRK). It is sponsored by Germany’s Federal Ministry of Education and Research (BMBF).

Furniture provided by:
Entrance
Rotunda
Barcamp
A barcamp is a series of spontaneous workshops that are offered by the conference participants. Session topics are pitched on stage in the rotunda and then the workshops are jointly signed up for. After the groups have come together, they are assigned to come in the Barcamp sessions will take place parallel to the Workshops.

Beer-to-Peer
At our informal evening event, we invite you to get together with your colleagues and enjoy conversations, music and drinks at the end of the first conference day. Cheers, Peers!

Catering
Two catering areas offer a buffet for lunch and dinner. Please note that the buffet on the ground floor is suitable for a larger number of people than on the 2nd floor. To ensure that everything runs smoothly, we ask that you use both areas at peak times.

DigiLounge
Meet other conference participants in the DigiLounge on the 4th floor. Have conversations in a relaxed atmosphere while enjoying fresh coffee and snacks.

Keynote
Two keynotes per day will be held in the rotunda. During the keynote speeches, there will be no other events held in the venue.

Live Demo
Live demonstrations will be shown in our Demo Space on the 4th floor. During the live demo slot, you can walk in and out at any time.

Poster Session
Posters and other institute presentations present their project experiences in the DigiLounge. The posters can be viewed during both conference days. A personal discussion with the submitter is possible during the scheduled poster session.

Presentation
Presentations will take place in various rooms (A, B, C, D, E) of the venue. Due to the tight time schedule, we recommend that you arrive at the respective room in a well-in time.

Workshop
Workshops take place in several rooms (A, B, C, D, E). An expertise and number of participants are limited. We recommend that you register for the workshop of your choice via the Event App. The Workshops will take place parallel to the Barcamps.
